Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Discussed differences in Matyas and Hasabe application. Matyas does allow copies of the storage medium to be made but ties them to one computer, While the present invention seeks to not allow copies to be made, but the storage medium would be accessible from different computers. Mr. Goldhush will file a supplemental Preliminary Amendment with claims addressing these features and clarifying the embodiments sought for coverage in the new reissue claims .
